

QUALITY

HOW WE STAND OUT FROM THE REST!

Our goal has been to connect families with the outdoors. When our customers hit the road, they can focus on their adventures and trust their Venture RV to get them where they want to go. Our attention to quality and craftsmanship is unwavering; we sweat the details so our customers don't have to.

A RELENTLESS PURSUIT FOR QUALITY

In-Line Quality Approval Inspection to Mid-line Approval Inspection to Final Quality Approval Inspection(hitch to bumper) (Every Unit)

Dedicated technicians to perform full systems check on all units online, including gas, electrical and water systems check. (Every Unit)

300 Point Inspection – Random units pulled off the line and run through an extensive 300-point inspection including rain/leak tests, electrical, plumbing lines, etc. Comprehensive 8 Hr (avg.) Inspection. (Daily)

Executive Performance Audit – Random units are pulled from the line and run through a meticulous inspection by our President, VPs, GMs, and Product Managers ensuring the quality meets or exceeds the expectation of our brand (Weekly)

Award-Winning Company - Year-over-year, designs and features from industry professionals.

DSI Quality Awards since 2015 by industry experts (RVDA) - When rating brands/manufacturers, RVDA asks dealers to express their level of satisfaction on four core issues: Reliability/quality, Parts, Warranty, and Sales. Venture RV has remained a top awarded company year over year.

Venture RV has the highest resale value... invest in a proven winner!

Designed for campers, by campers.
