VENTURE RV STRATUS SR281VBH

The Venture RV Stratus SR281VBH is a 31'8" travel trailer featuring one slide-out section. Tipping the scales at a dry weight of just 6,510 pounds, with a GVWR of 8,300 pounds, it is ideally suited for use with a full-size SUV or a 2500 series pick-up.

The Stratus features ultra-lite construction, with aluminium framed sidewalls and very attractive interior décor, contrasting light and dark woodwork. The trailer is offered with a weather shield package, as well as interior and exterior packages that make it a favourite for Canadian families. Standard features
